Things to know before you book an appointment:

1. **Your appointment must be scheduled at least 48 hours in advance.** Coaches will not guarantee availability for appointments made any later.

3. Make sure the appointment slot you sign up for includes the project you want to meet with a coach about.
4. You **must** fill out the “Description” section of the appointment with the form located below so coaches have time to prepare for their meeting with you.
